

**SECOND CALL FOR
THE SIXTH INTERNATIONAL SCIENTIFIC COLLOQUIUM
MATHEMATICS AND CHILDREN,
FOUNDED BY MARGITA PAVLEKOVIĆ
(Teaching and Learning Mathematics)
May 26-27, 2017**

On behalf of the Organizing Committee, we are pleased to invite you to participate in the activities included in the Colloquium, a product of a joint effort of the Faculty of Education in Osijek and the Department of Mathematics, Josip Juraj Strossmayer University of Osijek.

The Colloquium will take place on Friday and Saturday, May 26-27, 2017, on the premises of the Faculty of Education in Osijek, Cara Hadrijana 10.

The purpose of the Colloquium is a scientific discussion about the position and role of a mathematics teacher in accordance with the higher accessibility and implementation of new technologies in education within the boundaries of the academic community, the education system and the broader social environment, and with regard to more efficient preparation of children for their future accomplishments.

The scientific colloquium encompasses (but is not limited to) the following topics:

- scientific research,
- teaching experience,
- mathematical education of teacher studies students,
- mathematics teachers as popularizers of science,
- mathematics teachers as initiators of progress and development within their communities,
- application of ICT in education.

Deadlines: Taking into account requests from prospective participants of the Colloquium, it has been decided to extend the deadline for abstract and full paper submission.

- The extended deadline for abstract submission is February 15, 2017.
- The extended deadline for paper submission is March 5, 2017.

Instructions for authors: Please send the abstract and the paper as an electronic document via e-mail to mathchildcro@gmail.com

[Application form](#) for the Colloquium.

The application form, abstract and full paper templates can be also found on the [official web page of the Colloquium](#)

Remark: We would like to emphasize that previous monographs are completely cited in the Education Resources Information Center (ERIC) and the Ulrichsweb Serials Solutions USA database.

Colloquium fees: Participation fee amounts to 50 €.

Instructions for payments:

The fee can be paid in cash at the colloquium or by bank transfer to the following address and bank account:
